STRONG, FRIENDLY, RELIABLE FOR ALL YOUR SECURITY NEEDS

What we do

Intelligent, professional, contemporary and comprehensive

Customer service is vital to all industries. Restaurants, theaters, bars and hotels are no different. Your security team should act with a managerial mindset, always thinking of how your customers will perceive their actions. You have worked hard to create the perfect ambience at your location, and we will work hard to preserve it.

Our goal as a company has always been to provide protection to clients while maintaining their reputation. When providing protection for Theaters, restaurant and hotels, oftentimes security will be seen more than any other face of the service team; we strive to make our interactions with guests warm and pleasant.

The Solid Protection philosophy focuses on customer service, trust and delivering the best people for our clients that contribute to their businesses success.

We work closely with our clients to ensure a successful operation and the upmost safety for each event.

Our involvement goes beyond simply staffing security, our expertise and experience in the industry is an asset that solidifies successful operations.

STRONG, FRIENDLY, RELIABLE FOR ALL YOUR SECURITY NEEDS

Services

We deliver a bespoke and comprehensive security service from **building management, customer service/greeting, event security, access control, static guarding** and **patrolling**.

Our recruitment process goes beyond qualifications and availability. We tailor each client's requirements with extensive training and experience in the industry. Solid Protection hold regular training days and reviews for our security operatives to ensure that we deliver the high standards that our company has built upon over the years.

We also provide a range of security services such as; **close protection (bodyguards), chauffeur and valet, traffic management, health & safety, security consultation** and **event planning**.

Management

Our management services focus on providing the right people for our clients, ensuring standards are kept and working towards constant improvement to the service and client.

We have 24/7 support line and fast email response to all our clients throughout the week.
